

# AL RUSHD INTERNATIONAL

## Company Profile

Heavy Industrial Equipment Rental · Kingdom of Saudi Arabia

### Who We Are

Al Rushd International is a leading provider of heavy industrial equipment rental in Saudi Arabia. For over a decade we have given contractors and industrial operators dependable access to well-maintained machinery and certified operators — without the burden of ownership. From earthmoving and lifting to on-site power and haulage, we keep the Kingdom's most demanding projects moving.

### Mission

To keep the Kingdom's projects moving by delivering safe, reliable and well-maintained equipment with exceptional service.

### Vision

To be the most trusted heavy equipment rental partner in the region, recognised for reliability, safety and value.

### Core Values

#### Safety First

Uncompromising safety standards on every machine and site.

#### Reliability

We deliver what we promise, when we promise it.

#### Integrity

Transparent pricing and honest, long-term relationships.

#### Excellence

Continuous improvement in fleet, service and people.

## Our Services

**Equipment Rental** — Short and long-term rental of cranes, excavators, loaders, forklifts and more.

**Operated Rentals** — Machinery supplied with experienced, certified operators ready to work.

**On-Site Power** — Diesel generators and power solutions to keep your site energised.

**Logistics & Transport** — Safe delivery and recovery of equipment to and from your job site.

**Maintenance & Service** — Preventive maintenance and on-call repair to minimise downtime.

**Project Consultation** — Expert guidance to match the right equipment to your project needs.
